Q1. What experience have you had with Commonwealth disaster funding support?

I have not applied for any funding or have I had two. As I'm from Armidale nsw 2350 and I do not live in a bush fire zone.

Q2. How could Commonwealth funding support communities to reduce their disaster risk?

Only give funding in bush fire circumstances to business to rebuild and families to rebuild there homes or pay for people who have lost family in death from a bush fire disaster. The funding should not be given to local councils for the purpose of rail trails push bike tracks.

Q3. Please describe your understanding of Commonwealth disaster funding processes.

I have never had to apply for the following funding.

Q4. Are the funding roles of the Commonwealth, states and territories, and local government, during disaster events clear?

No

Q5. Is there any further information you would like to provide?

Disaster bush fire funding should be for people affected by fire or death in a bush fire and people of the community to rebuild there homes a businesses and for people to apply for funding for funerals in a bush fires to bury a family member that has died in a bush fire disaster. not to give local council funding for rail trails. Rail trails have nothing to do with bush fires or following the above guidelines.
