

# Submission to the Independent Review of Commonwealth Disaster Funding

**Response ID:** IRCDF\_855\_9

**Consent option:** Publish Anonymously

**Submitted by:** Anonymous

**Q1. What experience have you had with Commonwealth disaster funding support?**

Filling in the missing gaps with charity donations

Witnessing first hand the utter mismanagement of so called professionals handing out funding

Witnessing the stupidity of those asking for funding

**Q2. How could Commonwealth funding support communities to reduce their disaster risk?**

The commonwealth could have forced councils to conduct hazard reduction activities on roadsides, 20 meters each side of the road in the Upper Murray as the roads run the routes of the old stock routes - extreme negligence in the opinion of every local

**Q3. Please describe your understanding of Commonwealth disaster funding processes.**

I can guarantee you that those handing out the money have no understanding of the processes what so ever

**Q4. Are the funding roles of the Commonwealth, states and territories, and local government, during disaster events clear?**

Not even close

**Q5. Is there any further information you would like to provide?**

Urgent investigation of the following is mandatory, I may have missed a few, someone is going to write a best seller on the back of this disgrace
